

Dear colleagues,

The series of events in 2020 has influenced many aspects of our life, including the organization of the Twentieth International Conference “FLUXES AND STRUCTURES IN FLUIDS”, which organized together together with Murmansk Arctic State University (MASU). After careful and intense discussions, the Conference Organizing Committee decided to keep the Conference in 2020 by changing the dates. The Conference is planned to be held on October 26-28, 2020 in Murmansk. After the Conference, the International school of young scientists “Actual problems of aerohydropneumatics in high latitude areas” will be held also (October 29 - November 1, 2020, on the Educational and Scientific Base of MASU).

The detailed information is attached.

I am glad to invite you and your colleagues to take part in the Conference and the International school, with presentation of papers on the topics that you have chosen. By your interest, please register by filled the registration forms which are on the Conference website (<http://www.masu.edu.ru/science/events/liquids/>), and send your papers before August 15, 2020.

Sincerely,

Yuly D. Chashechkin

Professor,

Co-chair of the Conference Program and Organising Committees
